

**Subject Line:** Getting started with CE Broker welcome offer

Hello Kansas Nurses!

The Kansas State Board of Nursing has partnered with CE Broker to provide you with a digital CE tracking system. You automatically get a FREE Basic Account, which includes easy CE tracking, digital certificate storage, education provider auto-reporting, and a directory of approved courses - all in one place.

However, their Professional Account gives additional features, like a personalized transcript that makes it even easier to understand your requirements, see what you're missing, complete approved CE, and prepare for renewal.

As a welcome to CE Broker, they are offering all nurses licensed by the Kansas State Board of Nursing a Professional Account for just \$5.00 for the entire year.
